Department of Environmental Planning and Protection**

CERTIFICATE OF ENVIRONMENTAL CLEARANCE

In Accordance with Section 11 of the Environmental Planning and Protection Act of 2019

Certificate Registration No. 00016

*This is to certify that 4 M-Harbour Island LTD has met the necessary requirements and have this day been granted a certificate of Environmental Clearance for the proposed Project/Activity titled 4 M-Harbour Island Marina to be utilized on **Habour Island Eleuthera***

This certificate shall remain valid only under the terms and conditions identified below.

General conditions and terms attached to this certificate are set out as follows:

1. This Certificate of Environmental Clearance requires the full time presence of an approved Environmental Manager to ensure the works of the contractor are in compliance with the approved EMP.
2. The Environmental Manager is responsible to ensure full compliance with the EMP and reporting requirement to the DEPP on all environmental issues.
3. The construction activities are to be undertaken in compliance with the Environmental Management Plan (EMP) approved for 4M Habour Island Marina.
4. Throughout the construction works and until indicated by the DEPP the website associated with the project must remain active and updated.
5. Payment of an environmental bond as required by Clause 16 of the EIA & EMP Regulations.
6. Any modifications or changes will require a no objection by the Department.

Dated this 08 day of March 2021

A handwritten signature in blue ink, appearing to read 'R. Newbold', written over a dotted line.
